Coupe Health Microsite Provider Finder Guide

1. Go to **https://employers.coupehealth.com/7-eleven.html** and click on **7-Eleven Plan Network Provider Directory.**
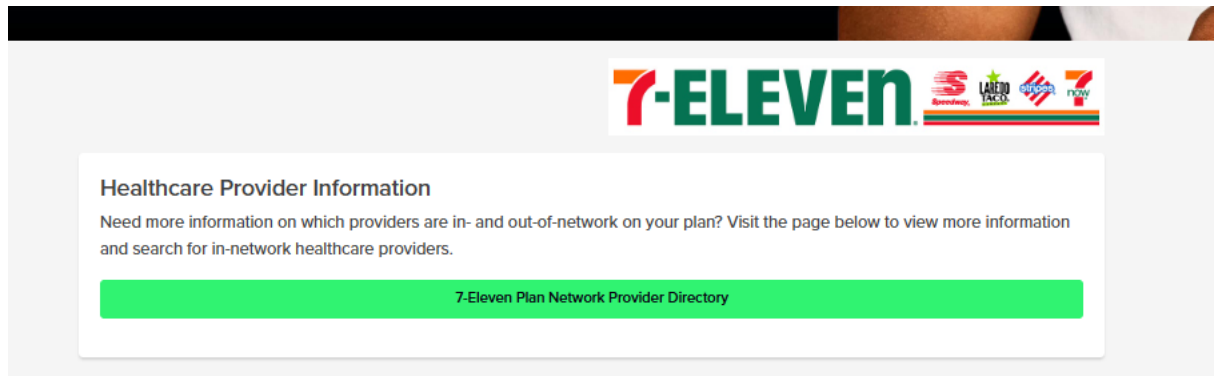

2. On the next screen, choose the correct Plan Name:

- If you **do NOT live** in: Florida, New York or Wisconsin

  → Select a plan with – **BlueCard PPO**

- If you **do live in** one of the above areas
  →Select the **corresponding plan option**
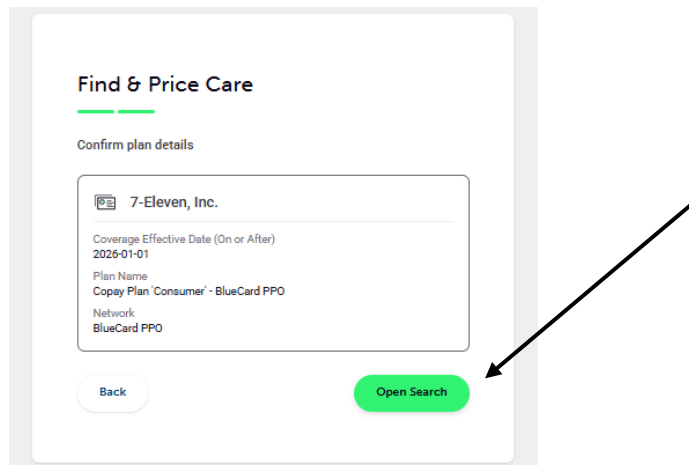

3. After selecting your plan, the next screen will display your choice. Review the details and click Open Search to continue.
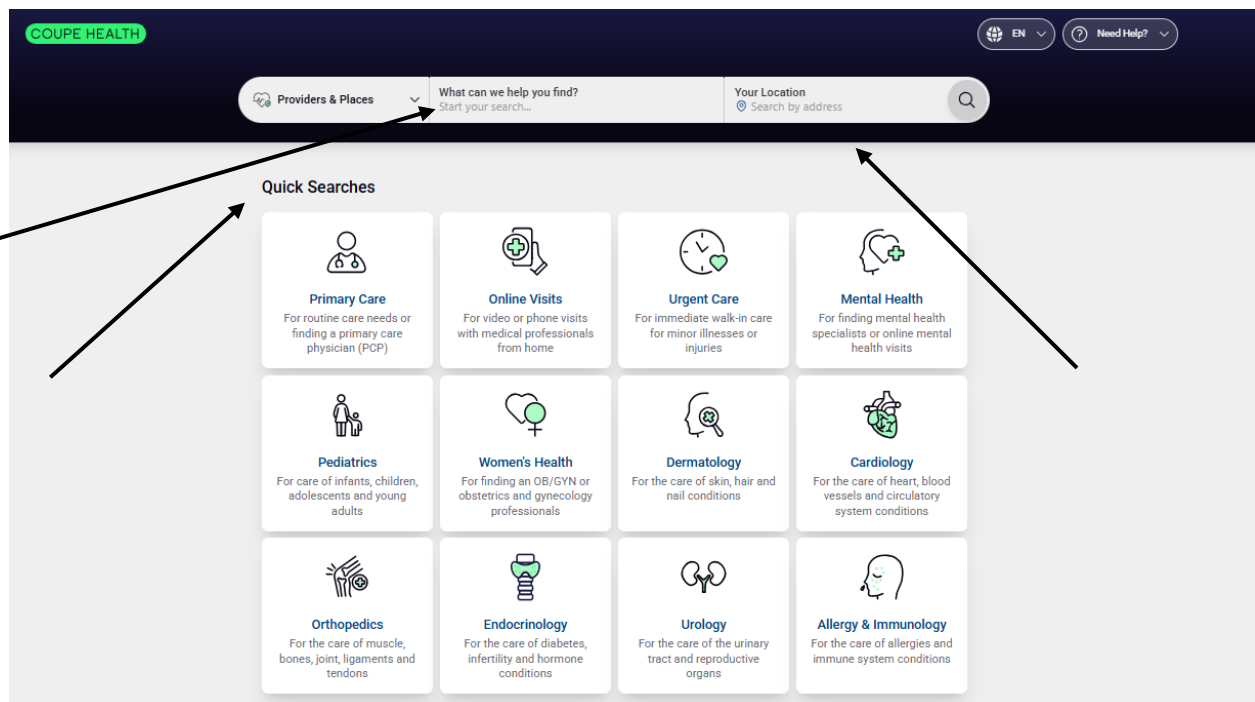

4. Next, follow the steps below to search:

Provider Search Tips

• Use the search bar to enter a provider's name, specialty, condition, or reason for visit

• Or select a Quick Search tile.

Location

• Enter your location once—it's saved for future searches.

• Update it only if you want to change the search area. Click the magnifying glass icon to view results
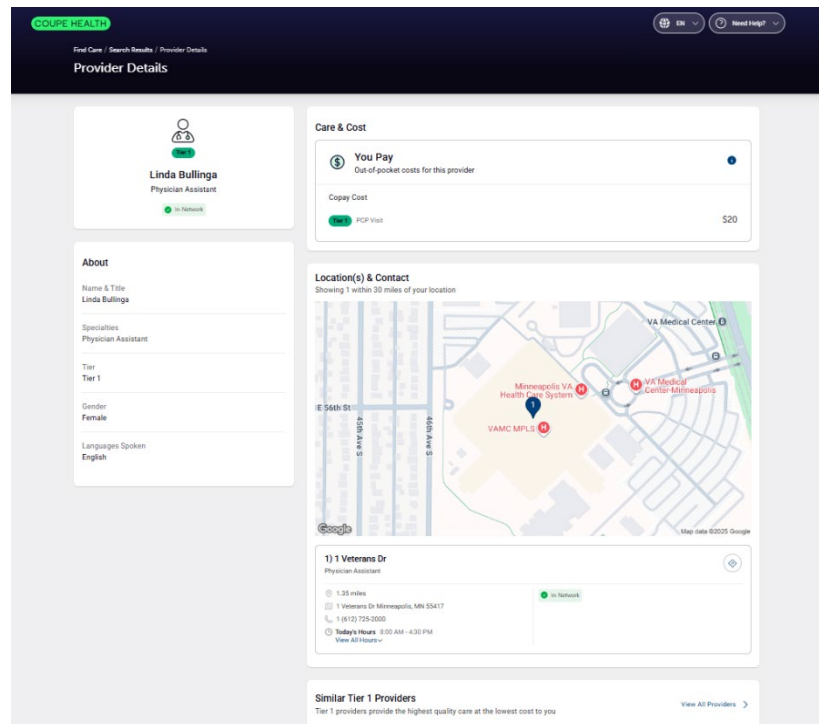

5. Once your search results populate, the page will look similar to the example below.
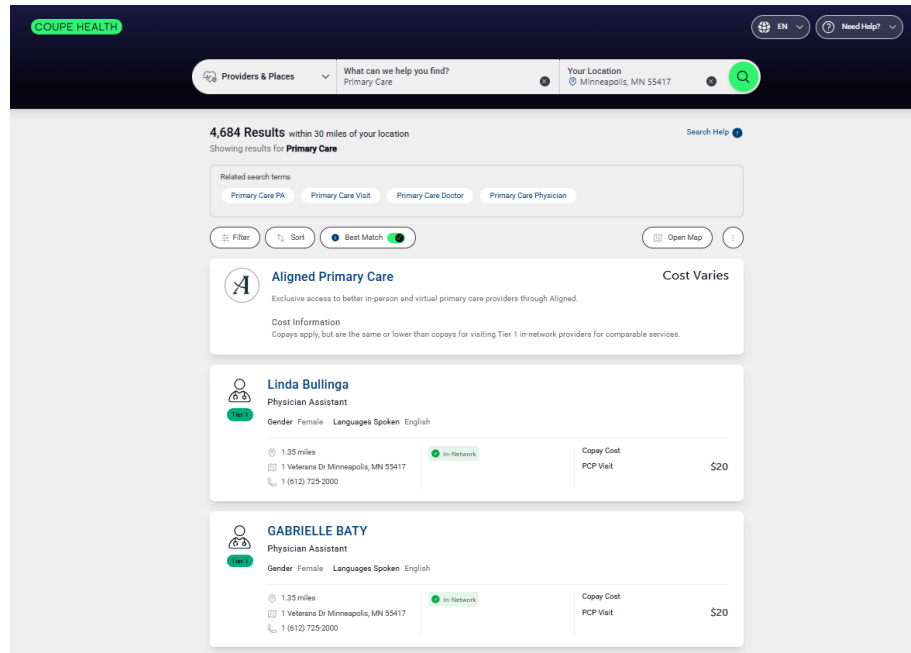

6. Select a provider's name to see:

- Additional locations
- Map view
- Similar providers
- More details

7. Contact your Care Advocate if you have any questions while you navigate the Network Provider Directory.
