

Members can get primary, urgent, and everyday care online.

Doctor On Demand® by Included Health connects members to high-quality primary care on their phone, tablet, or computer.

How can Doctor On Demand help?

Members can see a primary care doctor online in days instead of waiting weeks.

Members can get urgent care virtually from their phone or computer, 24/7/365.

Members can see a licensed therapist online for mental health support when they need it.

Members can see a board-certified psychiatrist online night or day.

How can I refer members to virtual primary care with Doctor On Demand?

Members can download the app from the App or Google Play Store for instant access to this benefit.

Your visit may be as low as \$0. Copays can vary by plan. To see the cost for your visit, log in to your account or register for Doctor On Demand.
