

A better healthcare ride starts here – Introducing the Coupe member portal!

COUPE

The Coupe Health™ member portal and mobile app allows you to manage your health plan benefits with ease.

What you'll find in your member portal:

Digital ID Cards

View and download a digital copy of your member ID card and save it to your Apple or Google wallet for convenience.

Help & Support

Contact the Health Valet team to navigate your plan with confidence.

Find & Price Medical Care

Search for top-tier providers, facilities, specific procedures, and compare costs.*

Plan & Benefit Information

Access your plan and benefit information all in one place.

Find & Price Medications*

Search for medications, options for filling prescriptions, and view out-of-pocket costs.

Claims Activity

View past claims, Explanation of Benefits, and progress toward your out-of-pocket max.

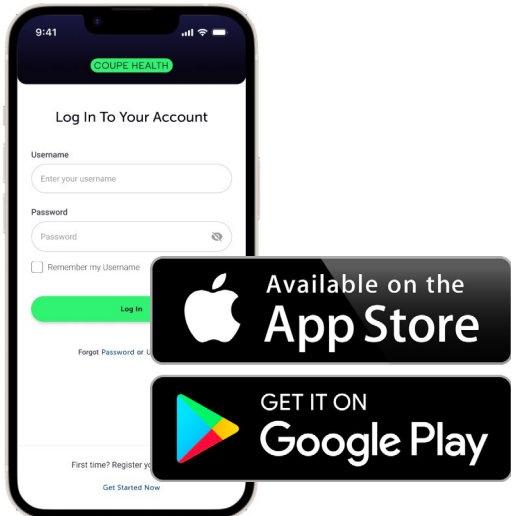

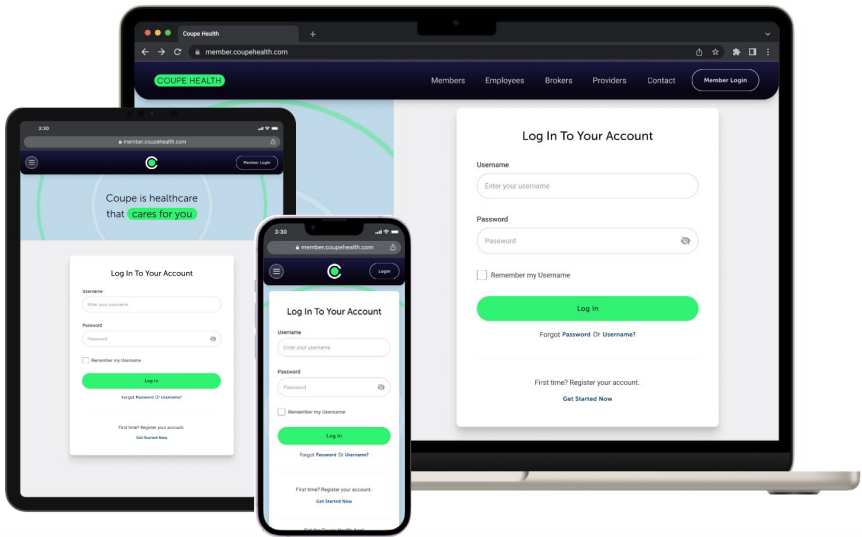

Find Virtual Care & Programs

Explore additional benefits and programs included in your health plan.

Web Browser

You will be able to register for the Coupe Member Portal on your plan start date.

Mobile Apps

member.coupehealth.com

The Member Portal can be accessed via web browser on computers, tablets and smartphones.

Coupe Health

The mobile app can be found by searching 'Coupe Health' on the Apple App Store or on Google Play.
